Dear Ms. Dortch:

Pursuant to the *Third Report and Order* in PS Docket No. 08-146, released August 7, 2008 and the corresponding Public Notice, DA 08-1866 released the same date, Pinpoint Wireless, Inc. (PPW) notified the Commission of its election not to participate in the Commercial Mobile Alert System ("CMAS") on August 29, 2008. PPW is notifying the FCC of its change in election. The company now elects to fully participate in CMAS.

As required by Section 10.210 of the Commission's rules, 47 C.F.R. § 10.210, PPW agrees to transmit CMAS alerts in a manner consistent with the technical standards, protocols, procedures and other technical requirements implemented by the Commission. PPW further commits to support the development and deployment of technology for the "C" interface, the CMS provider Gateway, the CMS provider infrastructure and mobile devices with CMAS functionality and support of the CMS provider selected technology.

PPW reserves the right to change its election at a later date, in accordance with Commission regulations.

Sincerely,
